That the present dearness & Scarcity of Cotton render'd it impossible for them to undertake this Contract with a probability of seeing their principal again, and since there was many other Partners concern'd with them, they desir'd till Monday morning to consult said partners, and to know whether they were willing to continue their shares if they accepted it at the former prices; which being but a reasonable request, was granted them, and they order'd to attend next Monday morning with their answer according to their promise.

MR. MOUNTAGUE *at Madrass*, MR. INGRAM *sick*.

Read a Generall Letter from the Honoble. President & Councill of Madrass, dated the 16th Inst., adviseing they had recd. an account from Vizagapatam that the Syrang, Tandell & Lascars belonging to the Riseing Sun Smack had recd. one months pay there to the 28th Inst. which was more than they ought to have had, since the two months pay they had recd. at Madrass was sufficient to carry the Vessell from thence to Vizagapatam, and to return again before the expiration of said time, which she accordingly did, for which reason they direct that the said month's pay amounting to Rupees 115 : 24. Cash, be again recd. from them, & if they refuse to pay it, to compell them with the utmost severity : In order thereto the Syrang and Tandell were called for up, & the money demanded again, who replyed that what money they had already recd. they had spent in provisions, & were therefore not able to return any part of it. It's therefore agreed & order'd that all the Lascars be imprisoned in the Factory at Cuddalore, & that the Tandell & Syrang be imprisoned in the Fort, when if they doe not make satisfaction for themselves & the rest of the Lascars, It's order'd they be put in Irons & sent up to Madrass, according to the direction in the abovesaid Letter.

The Merchants were this day acquainted that it was the Rt. Honoble. United Company's orders that no brown Cloth should be sent them & directed that what they had laid by to be so embalmed, be immediately sent to washing, in order to have it ready to be sent home by the January shipping, the head washers was also sent for & ordered to make all the dispatch they possibly could in washing the Cloth of this Investment, & to procure what washers more they possibly could from the adjacent towns to have it compleated in time.

The Deputy Governour informs us that on the 7th Inst. he recd. a Letter from the Honoble. President & Councill of Madrass, & Inclosed Sunca Rama's bill on Pola Chitte for four thousand pags. which he had accordingly complyed with the 11th Instant, & that he had enter'd it in the Rt. Honoble. United Company's Cash the same day : He also informs us that on the 12th. Instant he had recd. of Omar Nina Mercan, the Son of Mockdum Nina, the sum of four hundred & twenty seaven pagodas, two fanams & two Cash, which is the whole of his Father's debts account Customs in the Generall Books, & that he had enter'd said sum in his Cash Book.

Order'd that Rama & twelve Peons doe sett out this evening, & goe as far as Conimeer to meet the six thousand pags. which the Honoble. the President & Councill of Madras advise us in their last Generall would send us by their Peons, which would sett out as yesterday.

It being the President & Councill's direction that Mr. Berlu accompany the Present they sent us for Abdull Nubby, & permits us to appoint who elce [*sic*] we think fitt, It is order'd that Mr. Faunce accompany him, & that they take with them the Honoble. the President's letter, & the severall things sent for that use, which is order'd to be made up handsomely in a box.

Robert Berriman sent in Mr. Edmd. Mountague's accott. Beetle, Tobacco & Ganjee of Cuddalore, for the month of September, & pays into the Rt. Honoble. United Company's Cash on that account one hundred & seaventy seaven pags. twenty one fanams & four Cash.

Mr. John Bridges also read his accounts of Beetle, Tobacco & Ganjee of Tevenapatam for the months of September & October, & pays into the Rt. Honoble. United Company's Cash the ballance to that time, being pags. one hundred sixty eight & eight fanams.

19TH. Mr. Rich[d]. Harrison read his account Land Customs of Cuddalore for the month of October, & pays into the R[t]. Hono[ble]. United Company's Cash pag[s]. fourty seaven thirty two fanams & one Cash, said account was examin'd & past, perticulars of which are as enter'd next after this Consultation.

Order'd that the Deputy Governour pay the Paymaster four hundred pag[s]. to defray Charges Garrison of this month.

The Merchants laid before us an account of sundry perticulars they had delivered, as Betteelas for Flaggs, Longcloth to make cartrages & Table linnen, rewashing of Cloth, & severall other small matters, the whole amounting to ninety three pagodas & two fanams, which upon examination we find to have rec[d]. & not yet accounted for. Ordered that Doctor Suply be acquainted that the Hono^{ble}. President & Councill of Madrass have permitted him to return thither, in order to his going to England.

The Merchants were this day called in and strictly enjoined to bring in the remainder of the Contract, that it may be in a readiness to goe home by the January ships, to which they reply'd that they would use their utmost endeavours, & doubted not but to have it all in by the latter end of this month.

MONDAY 23D. THE WORSPLL. GABLL. ROBERTS ESQR. DEPUTY GOVERNOUR.
MR. JOHN BERLU. MR. JOHN BRIDGES.
MR. RICHD. HARRISON. MR. DUKE FAUNCE.
MR. MOUNTAGUE *at Madras.*

Mr. Duke Faunce to whose care the repair of the Smack and Yatch was Ordered, this day informs us that the Yatch was new caulkt & grav'd & that he had done what was necessary both to her and the Riseing Sun Smack, in order to carry them both over the Barr this new moon: & that himself & their two Masters & the Arcott had been this morning at top of high water to sound the Barr, when they found but two covids water, occasion'd by the northerly Monsoon, so that they judge it impossible for the Smack to be carried over, & that it will be very difficult to gett over the Yatch, however, its order'd that all possible means be used to endeavour to gett the Yatch over to morrow morning.

Order'd that Mr. Cottrell take care of the Warehouse, & that he keep an exact account of what recd. or deliver'd out till further order from Madrass, & that the Deputy Governour deliver him the keys accordingly.

Mr. John Bridges read his account of Tobacco, Beetle & Ganjee of Tevenapatam for the month of November, which was examined & past, & pays into the Rt. Honoble. United Company's Cash the ballance, being pags. sixty four, thirty fanams & three Cash.

He also read his Paymaster's account for the months of October & November, in the former of which we find pags. one hundred fourty one, seaventeen fanams & three Cash paid the Steward, & in the latter pags. one hundred fifty eight & twenty three fanams. The Steward's accotts. were sent for up & examined, by which it appears he had expended the said sums: perticulars of both accounts are as enter'd after this Consultation.

Mr. Duke Faunce reporting to us that he has expended severall small sums in repairing of the Yatch, & he haveing no money of the Company's in his hands, Order'd that the Deputy Governor pay him thirty pags. to defray small charges.

Order'd that the Juncanneers of Mercon, Boomopollam & Arreshewack be tasherieft at Christmass as usuall.

Mr. Bulteel, Secretary, haveing taken a List of all the Books, Papers &ca. in the Secretary's office, does now produce the same, which Mr. Bridges is desired to examine, & if it be found right that it be enter'd in the Consultation accordingly.

He also laid before us his Indentures, by which it appears he would have commenced Senior Merchant the primo October 1703, but being permitted by the Honoble. President & Councill to lay down the Company's service the 20th September before, it appeareth that he then wanted ten days of commenceing a Senior Merchant, & whereas by an order in a Generall Letter from them dated the 29th November last, they are pleased to order that he be recd. into the Rt. Honoble. United Company's service, and to have his standing from the time he laid down the old Company's service, so that he commences Senior Merchant from the 12th. of this Inst. & 'tis order'd that his salary be hereafter calculated & paid him accordingly.
